Sir,

Officially with this letter I am reporting communist terrorist attempt against my life or the life of my wife Mrs. Maria Docheff.

As you know I am refugee from Bulgaria and in my absence I was sentenced there to death for my anticommunist activities. In exile I am the most prominent and active anticommunist leader among the Bulgarian emigrants.

I am world President of the Bulgarian National Front the most active anticommunist Organization of the Bulgarian exiles and in the same time I am leader of the Captive Nations Organizations in New York.

Many times the Communist papers in Bulgaria were writing and continue to write against me. Even in the paper of Moscow was written against me. For the Bulgarian Communist I am enemy #1. It is known that the Communists want to liquidate me and destroy our anticommunist Organizations.

In the United States, as you certainly know, there are many secret communist agents sent by the Bulgarian Government. As it happened in Europe where several anticommunist leaders of different Nations were assassinated, we expect that the communist will do the same here by the first chance they have.

On May 30 and June 1 and 2, 1976 I was with my wife Mrs. Docheff in Washington, D.C. for White House meeting and when we

came back at mid night on Wednesday, June 2, 1976, we found that the door of our apartment on 57 West, 69 Street, New York, N.Y. was broken and some one was in our apartment looking all over- but nothing is missing?

For me it is clear that the people who broke the door were looking for me or my wife. For sure they were communist agents who came with purpose to assassinate me or my wife or to kidnap me or her!

I called the Police and two Officers of Pct. 20 of west 32 Street, New York, N.Y. came and made report, but , this do not solve the problem.

The Communist terrorist attempt agains me or my wife who is associate with my anticommunist activitias will be repeated and our lives are in danger.

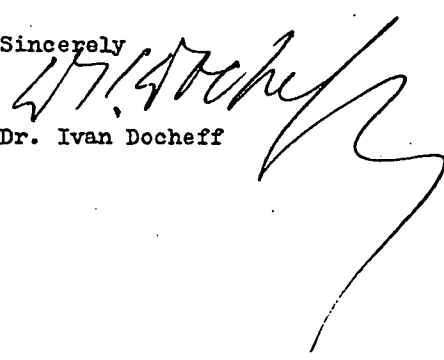

I ask for protection and your immediate order to permit me to have gun at home for self deffence.

I expect your prompt attention and help.

Thank you.

Sincerely

Dr. Ivan Docheff
